

Industrial Plastics

Aftermarkets Order form

Industrial Plastics offer three different order methods for customers requiring aftermarket parts. Once you have filled out your company information below, please select and detail your part order method and specifications. Once both pages are filled and completed please send this form to Industrial Plastics via plastics@industrialplastics.com.au.

1.

Browse through our Aftermarkets Catalogue and select your part for us to fabricate.

Please fill out the Order Form on the next page.

2.

Send us the part to duplicate

You can drop off or mail the original part at our office at 731 Curtin Avenue East, Pinkenba, QLD, 4008. Please fill out the Order Form on the next page.

3.

Send us a drawing and photos

Trace the outline of the part and any specific features onto cardboard or paper and mail or email it to our office. Please fill out the Order Form on the next page.

This information is not mandatory but it will help us fabricate your part much faster in the future!
